Logo & Logotype

The logo has one variation below with a mirrored reflection on the bottom. It can be use on any page acceptable with the site. It is positioned in the top left corner.

Cody Castellanos

Graphics

All pages have 4 buttons and 2 lines on the right side of the screen just under the logo. The upper right corner has the TMCC logo. The bottom right has GRC 275 and info. Both that and the logo at the top are animated with a shine. The background has a white radial gradient in the center along with a lined graphic that adds a little more interest. All graphics are part of the layout and can be used on any and all pages that pertain to the site.
